BEFORE CREATING A LEARNING COVENANT
Before starting the draft of your Learning Covenant, please follow these exercises.

1. Obtain your Pre-Covenant Worksheet assignment which you completed during the Internship Information Session online.

2. Update your Seminary Formation Plan. (This was created during SM 301 Formation for Christian Ministry course. If you cannot find your plan, please contact the Supervised Ministry office for a copy. You need to complete SM 301 before taking SM 401/402 Internship I & II.)

   Full instructions on how to update your Seminary Formation Plan are listed below. In general, updating means reviewing your past thoughts and goals in each of the topic areas and then indicating what has changed or what needs to change since you first wrote your Seminary Formation Plan. This new information will be added to your previous document.

   Attach your updated Seminary Formation Plan to this Appendix and turn everything in together.

3. After reviewing your updated Seminary Formation Plan and reviewing the Pre-Covenant assignments (from Moodle), prayerfully consider what you need to learn to be more confident and competent in ministry. These ideas should express areas where you need to increase your knowledge of ministry and areas where you need to increase your competency in performing ministry. Write down two – four ideas.
   a.
   b.
   c.
   d.

4. What areas of personal growth do you also need to address? This could be adding a spiritual discipline, creating time for relationships, paying attention to self-care, being more intentional about your finances, etc. Write down one to two ideas.
   a.
   b.

The Seminary Formation Plan is foundational to your education, spiritual growth, and intentional development during your time at Northern. The plan you develop will be updated and reviewed yearly. This plan is to be used by you. Therefore, it will uniquely reflect where you are in your self-awareness and in your place of growth. It is also designed to push you to better understand your call to ministry.

Your task in the Seminary Formation Plan Update is to reflect upon what you have learned about yourself and ministry this past year. Please be thoughtful and concise in your responses. Under each heading, please write 3-5 sentences about your progress in each area. If your goals or direction have changed, please write about your new goals and how you plan to obtain them.

Please use your original Seminary Formation Plan and add the following to it. This will create a master document for you to easily see your growth in each area. Highlight the new information by starting a new paragraph after your original/older paragraph. Start the new paragraph with today’s date.

Use the following resources to prepare the report:
1. Recommendations made on the last page of your Midwest Career Summary Counselor’s Evaluative Report. This report was mailed to your home by Midwest during SM 301 Formation of Christian Ministry. If you no longer have a copy, please contact the Supervised Ministry Office.

  Use the following outline to summarize the steps you have taken for each recommendation from your Midwest Career Summary Evaluative Report. (You may have received up to 10 recommendations. You must address all of them.)

  **Recommendation #1:** List recommendation #1 from your Midwest career Summary Evaluative Report.
  **Action Steps Taken For Recommendation #1:** Discuss the steps you have already taken in completing Recommendation #1.
  **Future Action Steps For Recommendation #1:** Discuss here specific steps you will take this year to fulfill Recommendation #1.
  **Accountability Partner:** Who will you covenant with to help you move forward in completing this recommendation? Note: the accountability partner cannot be yourself.

2. Your Seminary Formation Plan, which you prepared as a final assignment in SM 301 Formation of Christian Ministry. Refer to your Seminary Formation Plan and the Outline below to evaluate your progress toward fulfilling your goals for Seminary Formation. Address ALL areas listed in your Formation Plan.
