

Genesis Health System

Clinical Pastoral Education

Full-Time Summer Program 2016

This summer intensive program of CPE is designed for seminary students, ordained clergy in active ministry, members of religious orders and qualified laypersons. This program integrates training in a clinical setting with seminar, group process, and on-on-one work with an accredited supervisor. Consequently, CPE interns actively serve people in crisis while strengthening their personal, professional and theological capacities through reflecting upon, understanding, and growing from the lived experience of ministry. Intensive interaction with peers, staff, seminar leaders, and the supervisor, helps interns to develop new awareness of themselves as persons and professional pastoral care providers.

Dates of program: 31 May 2016 – 12 August 2016

Orientation Week: 31 May – 6 June 2016

Tuition: \$1,000

Dormitory Housing for Summer CPE Students: Augustana College offers an Internship Housing Program. For more information, call 309-794-2686 or email lauraterronez@augustana.edu.
