

PART-TIME WORSHIP LEADERS NEEDED

Lombard Christian Reformed Church (corner of Meyers Rd and 22nd St) is looking for a pianist and a guitarist to help us with worship at our Sunday morning 945 service of worship. The pianist should be proficient in leading congregational hymn singing, and if possible, also to support our worship team on contemporary songs. The guitarist should be proficient in leading contemporary songs and able to work with the rest of our worship team in leading the congregation.

These would each be occasional positions of service, perhaps once or twice a month. Time commitments include a Saturday morning worship team practice and then a quick Sunday morning practice and then the worship service.

The church will offer you \$100 for the total weekend commitment.

If you are interested, email or call Pastor John Huizinga:
