Northern Baptist Theological Seminary

Lombard, IL 60148

Dear Director of Placement:

We wish to seek your assistance in our effort to continue God's work at Cornelia Avenue Baptist Church here in Chicago by assisting us to locate a dynamic, committed, evangelistic minded and biblically well grounded individual who will guide our church into the next era.

Our current pastor is retiring and we are looking for a competent replacement who will seriously be engaged in church outreach.

Our congregation is small, culturally diverse but with a big heart and expectation and serves the Lord with passion. The right individual must be energetic and will be ready to serve the Lord initially as bivocational/part time but with a zeal and passion for growth and community involvement.

Would you please give this request a wide publicity with resumes being forwarded to [ijusoc@aol.com](mailto:ijusoc@aol.com) or mailed to:

Pastor Search Committee Chair/Deacon  
Cornelia Avenue Baptist Church  
1709 West Cornelia Avenue

Thanks for your anticipated cooperation.

Sincerely,

Dr. Cliff Osuji, Deacon
