RE: Senior Pastor Applicants / Repost

First Baptist Church of Eaton Rapids, Michigan, is searching for a qualified senior pastor. Our previous pastor of 17 years moved to Minnesota to be near his family.

Potential candidates should visit our church web site at www.fbcofer.org where they will find:

- Candidate Profile – What we are looking for in a senior pastor
- Church doctrines and constitution
- Link to the City of Eaton Rapids web page
- Link to the Pastor Placement Process (P3)

We have contracted with an organization called Converge, which utilizes the P3 process to analyze a candidate's abilities and our church's needs, ensuring the greatest success of both. Potential candidates must apply through the P3 site. Making application does not automatically mean the applicant will be recommended to us as a candidate. However, this Christian organization works with many churches that need pastors and the applicant could be referred to another church within the Converge network.

NOTE: Application deadline is September 18, 2015. The P3 analysis will then take approximately three weeks.

If you have specific interest in FBC after viewing the information on our web site, please make note of your specific interest in our church on your P3 application.

If you have any questions, please contact our church office at (517) 663-5451. Please leave your name, the school you represent, and phone number.

Thank you.
