

Independent Study Contract

Northern Baptist Theological Seminary

BIBLICAL • MISSIONAL • PERSONAL

QUALIFICATIONS: Only students who have earned a minimum of 24 hours at Northern, and who have at least a 2.75 cumulative GPA will qualify for an Independent Study. An administrative fee of \$300 is attached to each Independent Study.

LIMITATIONS: Independent Studies are not permitted for regularly scheduled courses at Northern or for courses available from ACTS seminaries. Students may not do an Independent Study to raise a grade for a course. The normal late work policy applies to all Independent Studies. A student cannot take more than four Independent Studies toward the M.Div. degree or two Independent Studies toward a two-year degree.

ACADEMIC EXPECTATIONS: Independent Studies require comparable levels of academic work when compared to a course carrying the same number of credits, and subject to the same regulations as regularly offered courses. A fair compensation of time normally spent in the classroom should be evident in the proposed study.

FACULTY SUPERVISION: An Independent Study course may be negotiated with a member of the regular or adjunct faculty for any quarter. However, if completed with an adjunct or affiliate professor, the student will pay an additional tuition charge of \$150. Faculty members are limited to teaching a maximum of two Independent Studies per quarter.

INSTRUCTIONS: *In order to register for an Independent Study, the student must submit this contract by the prescribed period of registration (not through the student portal). This form must be filled out completely by the student and signed by the Independent Study supervisor before being sent to the Registrar no later than the first day of registration for the term.*
