

American Baptist Church in Barnard, Kansas is in search of a part-time leading Pastor. We are a rural, multi-generational church of less than 30 active members. We believe that God is preparing a spiritual leader to help us in doing His will in our church, our community and our County. We prefer a mixture of traditional and contemporary worship music. There are opportunities to serve a diverse population in our area. We are looking for a Bible believing, Bible preaching, people loving Pastor and are open to any person who feels called by God to apply. If you are that person, please submit your resume or ABPS Profile via email to ABC/CR Associate Executive Minister Nathan Marsh at nathan.marsh@abccr.org and ABC/CR Region Staff Minister Julie Robinson at julie.robinson@abccr.org
