

Bethany Community Church is in the process of discerning who will be our next full-time senior pastor. This is an exceptional opportunity for someone who develops kingdom-oriented leaders who experience deep intimacy with God that overflows into joyful mission and service to others.

Bethany Community Church (BCC) was founded in 1986, and is located in Laurel, Md., midway between Washington, D.C. and Baltimore, Maryland. Laurel is a suburban community conveniently located near all the historical, cultural, commercial, educational and recreational resources of the nation's capital and the Baltimore-Washington corridor. Our unique Deaf ministry makes BCC a welcoming community for the Deaf throughout the Baltimore-Washington area.

Bethany Community Church is an inclusive evangelical, non-denominational church affiliated with Converge and other like-minded organizations. We are active and well-respected in the local community; particularly in establishing coalitions of churches to serve the local public schools and the homeless community. BCC is uniquely integrated with the Deaf community offering worship services, small groups, and ministry involvement in American Sign Language (ASL). We are contemporary in worship style with three volunteer music teams that rotate worship leading responsibilities. BCC is racially, ethnically and politically diverse. We are involved with mission projects in the Bahamas, Tanzania, New Zealand and throughout the world as our founding pastor transitions to the role of Director of Church Engagement for Converge Worldwide.
