### **Description**

FBC Norfolk is seeking a passionate, relational and energetic person to serve as our Connections Pastor. The Connections Pastor will provide leadership in two main areas; community formation and Kingdom service and outreach. Other responsibilities will be explored as ministry gifts and time of the candidate allow.

- Ability to connect well with people from across the generational spectrum, especially with young adults and young families.
- Have a creative and unique approach to ministering outside of the church building.
- College and/or Graduate degree is desired but equitable experience would be considered.

- Assess and identify unique gifts, interests and passions of people within FBC.
- Assess and identify practical and spiritual needs of people within the Norfolk community.
- Develop a strategic plan to work within existing ministries and/or to create and implement new ministries, which seek to meet the practical and spiritual needs of those in the community to whom FBC is uniquely positioned to minister.
