

First Congregational Church

Full-Time Senior Pastor

We, the loving family of believers at First Congregational Church of Roscommon are seeking an energetic full-time, senior pastor willing to join us in the adventure of his/her life. Jesus Christ is our Savior, and we strongly believe in the teachings of the Bible as a literal guide to our spiritual lives. We are looking for a dynamic individual driven to help us build the church through preaching, missions, prayer and personal devotion to the small, close-knit family that resides here.

The beauty of Roscommon is without a doubt a gift from God himself. From the sparkling, spring-fed lakes to the smell of jack pine, we have been provided with a great place to live. The great outdoors is right outside our own doors. Camping, boating, hunting, fishing, skiing, and golfing are just a few of the activities available for the outdoor enthusiast.

We invite you to join us in our walk with God, share His love and enjoy His creation as His body of believers.

Our Church Information Form may be viewed at the National Association of Congregational Christian Churches' website, www.naccc.org. We request that you complete an MIF (Ministers' Information Form), while at the website. First Congregational Church is located at 109 S. Main Street in Roscommon, Michigan." If you have any questions or difficulties with this procedure, please contact Cathy Morrow, gccathym@gmail.com.
