

Information about YouthWorks

Are you looking for a job that develops your leadership skills, builds your resume, puts you in cross-cultural settings, and even pays you? YouthWorks is a Christian, nonprofit organization that provides Christ-centered mission trips for more than 20,000 teenagers and adult leaders in over 50 communities across the U.S. and Puerto Rico. We hire college and post-college-age staff to facilitate mission trips on each one of our sites. In the midst of managing around 70 students and adult leaders on a mission trip each week, our staff teams cultivate relationships, develop their relational and organizational skills, and deepen their faith. All our ministry positions are paid. For more information, see our website: <https://www.youthworks.com/summer-staff/>.
