

## Installing Microsoft Office

If you currently have an email through Northern Seminary, you will now be able to install the latest version of Microsoft Office! Please follow the instructions below to get started.

1. Navigate to <http://www.office.com/login> and sign in using your e-mail credentials.

2. On the right side of the screen, click on **'Install Office Apps'** and choose **'Office 2016'**.

3. You will be asked to download the installation file. Follow prompts until installation is complete.

If you have any issues, please contact the Northern Seminary Help Desk by emailing us at [helpdesk@seminary.edu](mailto:helpdesk@seminary.edu).
