

OPPORTUNITY SNAPSHOT

PASTOR OF MINISTRY MOBILIZATION

Grace Long Beach

Overview

After a deliberate 18-month interim, Grace in Long Beach, CA is ready to welcome an energized and motivated pastor to join their talented leadership team, in a new leadership structure, to guide this congregation to write the next chapter of their story.

The Big Idea

The congregation recently voted to move to a collaborative, shared model of leadership that includes a Pastor of Spiritual Formation, Pastor of Organizational Leadership, and this role: a pastor who will invest in the body life of the congregation to teach, encourage, orchestrate and empower them to mobilize on mission together. The incoming Pastor of Ministry Mobilization will speak into the formation of a clarified vision and direction, and work with the team to create the right pathways to bring it to life. This leader will possess the experience and ability to activate and mobilize, and plan and execute. As part of the teaching team, they will inspire, motivate, and lovingly challenge the Grace community to live out what they know and to follow Jesus with all their heart, soul, mind and strength. This leader should enjoy telling the stories as a means of building momentum and encouraging the congregation. There are opportunities to teach and train people, and stimulate them to make their unique contribution, whether in the church or in missional service in the city of Long Beach.
