

Trinity Baptist Church (<http://trinityofmoultrie.org>) of Moultrie, GA, is seeking a senior pastor with excellent preaching ability and a heart for pastoral care. Located in southwest Georgia, our warm and welcoming 250-member congregation, dually aligned with the Cooperative Baptist Fellowship and Southern Baptist Convention, has a tradition of community ecumenism, an active committee system, a deacon family ministry (we ordain both men and women as deacons), a strong Sunday School program, and a dedication to missions. As church administrator, our new pastor should take a hands-on role in these ministries. Our worship style is best described as blended. Our prospective pastor should be a people-person and encourager to the church's staff. Direct all inquiries and resumes to [tbcpastorsearch2021@gmail.com](mailto:tbcpastorsearch2021@gmail.com).
