

[United Faith Community Church](#) in [Valley, Nebraska](#) is in search of a full-time pastor. United Faith Community Church, historically aligned with the American Baptist Churches USA and United Methodist, is comprised of members from a broad range of denominational, vocational, and economic backgrounds. Valley is a growing community with safe neighborhoods, new schools, and an active downtown. Located just 15minutes from Omaha, Valley offers the best of small-town life with access to the benefits of a major Midwest city.

United Faith Community Church is deeply engaged in the life of Valley with two ministry locations. Their historic building is located amid a neighborhood and their Campus Building is located on the edge of town to welcome the growing neighborhoods and provide space for community ministry and events. Their ministry partnerships include local, regional, and international groups and agencies.

United Faith Community Church is looking for a full-time pastor to guide them into the next chapter of mission and ministry with the people of Valley. Candidates should preach well, be able to minister to leaders and members of all ages, provide pastoral care, and equip members for mission and ministry.

Candidates should submit resume's or MinistrElife profiles to Churches Helping Churches ABC Nebraska Executive Minister Rev. Dr. Robin Stoops via email at rstoops@abcnebraska.com to arrange initial interviews.
